ISF: What the Future Holds

Wednesday, February 24, 2010, 9:45am – 11:45am

Presenters:

Ms. Venetia Huffman – CV International, Inc
Mr. Steven Pniewski – Artemus Group LLC

Moderator: Ms. Robyn Lee – DHL Global Forwarding

Ms. Huffman will address U.S. Customs and Border Protection (CBP) ISF enforcement strategy since all Importers were required to comply beginning January 26, 2010. She will also cover the bond requirements as well as recent problematic issues.

Mr. Pniewski will review the shipline requirements of the ISF and the problems which NVO's have experienced. He will also speak to what the ISF Reporting experience has been for the Importers/Forwarders/NVOCC's using the AMS option.

Both speakers will share their experiences this past year in preparation for the ISF Compliance. A question and answer session will follow.

Please plan to stay after the Luncheon for informal, one-on-one discussions with the presenters.

Luncheon Meeting to follow with
